**ORDER TO SHOW CAUSE**

Based upon the Court's examination, the Complaint in this case appears to be similar to the Complaint in United States of America v. Imperial Petroleum, Inc., 1:12-cv-00786-TWP-MJD (Imperial Case). Consequently, it appears that this case and the Imperial Case involve common questions of law and fact, and therefore the two matters should be consolidated pursuant to Rule 42(a) of the Federal Rules of Civil Procedure. If any party believes this matter should not be consolidated with the Imperial Case, that party is hereby ordered to show cause, by no later than **August 4, 2014**, why the two matters should not be consolidated pursuant to Rule 42(a).
